Timbo
Yeah
It's what we do
You know I've been waiting but

[Timbaland:]
Hey girl,
I bet you eyes talking right out out yeah yeah
I bet your eyes talking right out out
I bet your eyes save you right out you you go
Hey JT, say that shit, as I cut the poe.

[Justin Timberlake:]
I was a boxer til I knocked that out
I played a doctor til I made that house
Call, I had a shy little quiet girl but now she sings opera
loud
But my train is on yo track now
So watch out

Put the music in the lights in the middle of the night
Iâ'm gettinâ' my way like a kid in a candy store
I think you got what I want
And by the end of the night when you hot like a light,
In the beat cause you and me burned up the floor
And if you own what I want, then you already know

Help me Iâ'm going down
Thatâ's what I hear her say
Baby my body count
Is blowing up all the way, hey
Sign up, put your name down
Make my body count
Make my body count
Make my body count

[Timbaland:]
Hey girl,

I bet your eyes talking right out out
I bet your eyes save you right out you you go

Hey JT, say that shit, as I cut the poe.

[Justin Timberlake:]

That's what I'm talkin' bout
Waitress til she got that tip
Sailor until I sunk that ship
Yeah I had a hot little fire girl
But now she just smoke that's it
And I ain't gon stop til I get you out on top of this list

Put the music in the lights in the middle of the night
I'm gettin' my way like a kid in a candy store
