(Chorus) (Nelly Furtado)

Im alive i can feel the blood rushing thru my veins an
thats all i need
know 'cause im not looking for a change.'cause i got
friends and enemies
but it just dont bother me, 'cause as long as i believe i
can breath.

(Prevail)

Metamorphis, battle-axe Fortress. four hundred
horsepower, full
moon the Sorceress, Swollen Members an my girl NF,
the predators
and the terminators the tribe cold breath why we hurt
em later we
do so much damage now. they'll truck em, when i hit
them, so much
garbage around yells, bells and whistles like carnival
sounds
phenominal adrenaline from words of my mouth.

(Mad Child)

How did shayne manage to rap? with brain damage im
phat remained
famished and stacked your playin with the praying
mantis infact you
gigantic you sink like titanic panic attack act up and im
a ? crash into
disaster, smash like master-plaster, punker rangle-
monster wants
to stomp ya, crushin 'cause im ? crushin'will tomorrow
be the same blood
rushin thru my veins

(Chorus)

Im alive i can feel the blood rushing thru my veins an
thats all i need
know 'cause im not looking for a change.'cause i got
friends and enemies
but it just dont bother me, 'cause as long as i believe i
can breath.

(Nelly Furtado)

a noices people i knew has to, thats we are of this point
to do what i
did of so spoint to, to wether it be easy enough to do

(Moka)

im sharin a mouth im like a crispy creme prevayer belt.
with the sync notes swollen like your lymphnodes,

we went from instro to intro to insto, coincidentally
messin up your mental state, we makin ends glow
pacific center ? me an my kinfolk attntion
nobody can do it like your man mok' my bands dope!
the tracks all flow im beautiful thats for sure!

(Mad Child)

im a neanderthal, your bound ta fall,
im wonderful we warned ya all its foreign to y'all its
wonderful the underworld beautiful minds, tryin to
keep it independant in recruitable times

(Chorus) (2x)

Im alive i can feel the blood rushing thru my veins an
thats all i need
know 'cause im not looking for a change.'cause i got
friends and enemies
but it just dont bother me, 'cause as long as i believe i
can breath.

(Moka)

we crashin thru you, now feel the magnitude were
flashin
thru inside of you it has to do with how you do your
thing
be true to only you well moka only tellin you is take your
soul an
talent to the next plateau an balance who you try to
think of times two

(Chorus)

Im alive i can feel the blood rushing thru my veins an
thats all i need
know 'cause im not looking for a change.'cause i got
friends and enemies
but it just dont bother me, 'cause as long as i believe i
can breath.
