Baby, you looking fine  
I have you open all night like you I.H.O.P.  
I take you home, baby, let you keep me company  
You gimme some of you, I give you some of me

You look good, baby, must taste heavenly  
I'm pretty sure that you got your own recipe  
So pick it up, pick it up, yeah, I like you  
I just can't get enough I gotta drive through

'Cause it's me, you, you, me, me, you  
All night  
Have it your way, foreplay  
Before I feed your appetite

Let me get my ticket, baby, let me get in line  
I can tell the way you like, baby, super size  
Hold on, you got yours, let me get mine  
I ain't leaving 'til they turn over the closed sign, check it

Take my order 'cause your body like a carry out  
Let me walk it to your body 'til you hear me out  
Turn me on, my baby, don't you cut me out  
Turn me on, my baby, don't you cut me out

Take my order 'cause your body like a carry out  
Let me walk it to your body 'til it's lights out  
Turn me on, my baby, don't you cut me out  
Turn me on, my baby, don't you cut me out

Number one, I'll take two number-threes  
That's a whole out of you and a side of me  
Now is it full of myself to want you full me?  
And if its room for dessert then I want a piece

Baby, get my order right, no errors  
I'mma touch you in all the right areas  
I can feed you, you can feed me  
Girl, deliver that to me, come see me

'Cause it's me, you, you, me, me, you  
All night

Have it your way, foreplay  
Before I feed your appetite

Do you like it well done? 'Cause I do it well  
'Cause I'm well seasoned if you couldn't tell  
Now let me walk it to your body 'til you hear me out  
And turn me on, my baby, don't you cut me out, say

Take my order 'cause your body like a carry out  
Let me walk it to your body 'til you hear me out  
Turn me on, my baby, don't you cut me out  
Turn me on, my baby, don't you cut me out

Take my order 'cause your body like a carry out  
Let me walk it to your body 'til it's lights out  
Turn me on, my baby, don't you cut me out  
Turn me on, my baby, don't you cut me out

What's your name?  
What's your number?  
I'm glad I came  
Can you take my order?

What's your name?  
Girl, what's your number?  
I'm glad I came  
Can you take my order?

Come over here, what's your name?  
Come closer, what's your number?  
Come over here, I'm glad I came  
A little closer, can you take my order?

Come over here, what's your name?  
Come closer, what's your number?  
Come over here, I'm glad I came  
A little closer, can you take my order?

Take my order 'cause your body like a carry out  
Let me walk it to your body 'til you hear me out  
Turn me on, my baby, don't you cut me out  
Turn me on, my baby, don't you cut me out

Take my order 'cause your body like a carry out  
Let me walk it to your body 'til it's lights out  
Turn me on, my baby, don't you cut me out  
Turn me on, my baby, don't you cut me out

Take my order 'cause your body like a carry out  
Let me walk it to your body 'til you hear me out  
Turn me on, my baby, don't you cut me out

Turn me on, my baby, don't you cut me out

Take my order 'cause your body like a carry out

Let me walk it to your body 'til it's lights out

Turn me on, my baby, don't you cut me out

Turn me on, my baby, don't you cut me out

Don't you cut me out
