"Crowd Control"

Listen now I'm talking
I've been here for weeks
Waiting in this growing crowd
Staring at my feet

The world around me is turning
I'm just standing still
The time has come for changes
Do something or I will

I'm a feather in a storm
I'm a rain drop in the sea
If I don't get enough of you
I'm a lighter shade of me

Sisters, brothers all around you
There's a devil in the crowd

Meet his eye and it's the end of time
If you're praying don't be loud

Its crowded in the lowland
But the fools stay on the hill
You control us now
You got the reins
Do something or we will

So show us why we came here
Before we lay on the ground
Give it to us loud and clear
Make the devil turn around
