Listen to me

I've been around the world
Seen a million hunnies
Really special girls
Gave all my time and money
But, there something 'bout ya
Something that's kinda funny

It's what you do to me
Awwwww
Don't need no Maybelline
'Cause you're a beauty queen
Don't need no L'oreal
'Cause bitch you're bad as hell
If I'm a Casanova?
Then you're a supernova

Girl it's what you do to me
It's got me saying
Damn girl... you're so fine
The way you let me put it down, girl
Blows my mind
I guess I gotta put it down tonight
I gotta put it down

Ohh, Ohh Ohh

Damn
Damn Girl

I said there something bout the way you do the things
you do
When you do the things you do
It's got me Ohh Ohh Ohh
I said there something bout the way you do the things
you do
When you do the things you do
It's got me Ohh Ohh Ohh

I said
Don't need no Maybelline
'Cause you a beauty queen
Don't need no L'oreal
'Cause bitch you're bad as hell
If I'm a Casanova?
Then you're a supernova

Girl it's what you do to me
It's got me saying
Damn girl... you're so fine
The way you let me put it down, girl
Just blows my mind
I guess I gotta put it down tonight
I gotta put it down
Ohh Ohh Ohh

Wil.I.Am
Woo wa wa woo woo woo
Baby, give me some of your tasty
Cinnamon give me some of your feminine gelatin
'Cause got a cinnaman going crazy
Hey ba ba baba baby
You the one I've been feeling for
When I'm dreaming I'm dreaming of you

When you're gone I've been screaming for ya
So why don't you be my chick and stuff
Take you out to dinner and catch the funky stuff?
If we spend time I'll never get enough
You're so fine make a dark brother blush
Got me looking like a black grape and stuff
First time saying you had me gonna crush
And if you ever give it to me
Give it to me rough
You got me saying... (You got me saying)
Got me saying

You got me saying
Damn girl... you're so fine
The way you let me put it down, girl
Blows my mind
I guess I gotta put it down tonight
I gotta put it down
Ohh Ohh Ohh

I'm saying
Damn girl... you're so fine (fine)
The way you let me put it down, girl (the way you put it
down)
Blows my mind (baby)
I guess I gotta put it down tonight
I gotta put it down
Ohh Ohh Ohh

I said there something 'bout the way you do the things
you do
When you do the things you do
It's got me Ohh Ohh Ohh
I said there something 'bout the way you do the things
you do
When you do the things you do
It's got me Ohh Ohh Ohh

Sing it with me... go

Something 'bout the way you do the things you do
When you do the things you do
It's got me Ohh Ohh Ohh
Sing it for me... go
Something 'bout the way you do the things you do
When you do the things you do
It's got me Ohh Ohh Ohh
