[Justin:]

Hey Madonna, I'm takin' it to the club  
Go uh  
Feels good  
Uh uh

[Madonna:]

Move your body  
Catch me from across the floor  
Everybody's watchin'  
But I just wanna give you more  
Don't care bout nothin'  
I've fallin' for your love in the worst way

[Justin:]

So move closer  
Cause I can feel your body rise  
The heat from you  
And I just start to fantasize  
We're all alone now  
And I don't care what people have to say

[Madonna:]

You don't have to be beautiful  
To be understood  
You don't have to be rich and famous  
To be good  
You just gotta get more more more  
Than you ever have before  
And you gotta move fast, fast, fast  
If you want this good thing to last

Let's dance tonight dance tonight  
And prove ourselves to the world  
And we'll hold hands tonight, hands tonight  
I'm just a boy and you're just a girl  
I wanna dance tonight, dance tonight  
Don't need no diamonds and pearls  
So take a chance tonight, chance tonight  
Let's prove ourselves to the world

[Madonna & Justin:]  
Do it, do it  
Let me turn you on  
Let the music pull you through it  
Til the break of dawn  
Do it, do it  
While the night is young  
Let the music pull you through it  
Til the lights go on

Now we're in our zone  
Do you wanna take it further  
Cause before too long  
I'm gonna start to wonder  
Are you a one trick pony  
Or do you wanna keep running this race

[Madonna & Justin:]  
I'm so into you  
I've heard it all before  
So what should I do?  
I told ya catch me on the floor  
Don't spoil this moment  
Cause talk is cheap  
I don't have time to waste

[Madonna:]  
You don't have to be beautiful  
To be understood  
You don't have to be rich and famous  
To be good  
You just gotta get more more more  
Than you ever have before  
And you gotta move fast, fast, fast  
If you want this good thing to last

Let's dance tonight dance tonight  
And prove ourselves to the world  
And we'll hold hands tonight, hands tonight  
I'm just a boy and you're just a girl  
I wanna dance tonight, dance tonight  
Don't need no diamonds and pearls  
So take a chance tonight, chance tonight  
Let's prove ourselves to the world

[Madonna & Justin:]  
Do it, do it  
Let me turn you on  
Let the music pull you through it  
Til the break of dawn  
Do it, do it

While the night is young  
Let the music pull you through it  
Til the lights go on

Now dance  
Oh  
Dance  
Oh  
Dance  
Do you wanna take it further? (oh)  
Just dance

Oh  
Ca-ca-ca-catch me on the floor  
Oh  
Ca-ca-ca-catch me on the floor
