Dance, don't hold the wall
Dance, don't hold the wall
Dance, don't hold the wall

Come on just throw them legs
Just getting down but I get up
Cause I heard you tell your girlfriend that I deserve
better
Huh, well, I think it look better
But you're so far up, I had to go get ya

Take it to the right, start in the back
You start moving you put an arch in your back
Closer to me, closer to me, sippin your drink
You're getting closer to me, dance in the light
Starting to see, you start moving and getting closer to
me
And now you won't even let me go

So baby hold up...

Ooh, dance, don't hold the wall (let go)
Ooh, dance, don't hold the wall (hold up)
Ooh, dance, don't hold the wall (dont let go)
Ooh, dance, don't hold the wall

Dance, don't hold the wall
Dance, don't hold the wall
Dance, don't hold the wall

I think I heard what you said
He's not what you thought and you're fed up
I heard your girlfriend tell you, you could do better
Well, im the best ever
But you're so far, I had to come get ya

Take it to the right, start in the back
You start moving you put an arch in your back
Closer to me, closer to me, sippin your drink
You're getting closer to me, dance in the light
Starting to see, you start moving and getting closer to
me

And now you won't even let me go

So baby hold up...

Ooh, dance, don't hold the wall (let go)
Ooh, dance, don't hold the wall (hold up)
Ooh, dance, don't hold the wall (dont let go)
Ooh, dance, don't hold the wall

Dance, don't hold the wall
Dance, don't hold the wall
Dance, don't hold the wall

Ooh, dance, don't hold the wall (let go)
Ooh, dance, don't hold the wall (hold up)
Ooh, dance, don't hold the wall (dont let go)
Ooh, dance, don't hold the wall

Dance, don't hold the wall
Dance, don't hold the wall
Dance, don't hold the wall
