Uh, eh, would you be my

Check it, check it: he don't want u like i want u

Believe me boo i done told, yeah

He don't love u like i do love u he don't squeeze u like i  
Squeeze

I make yo neck pop back and in fact I'll bubble yo knees

Hey okay, baby, what's it gon take for u to be my lady?

(tell me

Right now)

I hear yo friends say u should, yo parents say he was  
good

Yo lil sister kick yall and helly i wish u would

But ur hesitating debatin whether or not it's real

I aint shootin game thru im just tellin u how i feel

Im thinkin everything about u yo hips and the way they  
sway

I hate to see u leave boo but i love to see u walk away

I be yo personal shrink boo i care what u think

I bout to billy and pink 'cause my doe \*nsync

So tell yo man (bye bye) and tell him u long (gone)

And if he aint waitin of u then find u another (home)

Justin:

I don't know why u care (why u thinkin about him  
mama?)

He doesnt't even know your there

'cause he don't love your eyes

And he don't love your smile

Girl you know that ain't fair

The middle of the night, is he gonna be by your side

Or will he run and hide

U don't know 'cause things aint clear

And baby when u cry, is he gonna stand by your side

Does the man even know your alive  
I got an idea

Why don't you be my girlfriend  
I'll treat ya good (ill treat ya good girl)  
I know u hear your friends when they say you should  
'cause if u were my girlfriend  
I'd be your shining star  
The one that show u where u are  
Girl you should be my girlfriend

Does he know what ya feel (does he know what u feel?)  
Are u sure that it's real (r u sure?)  
Does he ease your mind (no)  
Or does he break your stride  
Did ya know that love could be a shield yeah

The middle of the night, is he gonna be by your side  
Or will he run and hide  
U don't know 'cause things aint clear  
And baby when u cry, is he gonna stand by your side  
Does the man even know your alive  
I got an idea

Sew yo dash around yo ankles and watch yo toes
