I just want to enjoy my life  
And show this world how to care  
And nothing brings more joy to my life  
Than knowing my girl will be there

Are ya happy girl?  
(Huh?)  
Knowing that you right near broke my heart in a piece  
or two  
(Huh?)  
Knowing that I would have walked across the ocean for  
you  
Saying you're young and confused  
Well that's a lame excuse  
That's why the only one to blame is you for

Last night  
Can't believe what I was hearing  
Telling me to have a nice life  
So tonight  
I don't think I'll spare your feelings  
You're on your own  
I'ma do for me what's right

In your eyes a see a second chance  
Maybe I should take another glance  
But for now I'll wash my hands  
Cause I love ya baby, love ya baby  
Pharrell say don't do it the same  
But I say ain't playing my games  
But for you my soul still remains  
Cause I love ya baby, love ya baby

Are ya happy girl?  
(Huh?)  
Knowing that you right near broke my heart in a piece  
or two  
(Huh?)  
Knowing that I would have walked across the ocean for  
you  
Saying you're young and confused  
Well that's a lame excuse

That's why the only one to blame is you for

Last night  
Can't believe what I was hearing  
Telling me to have a nice life  
So tonight  
I don't think I'll spare your feelings  
You're on your own  
I'ma do for me what's right

I hope you're thinking  
(Remember girl, when I was your man)  
I hope it sinks in  
(If you don't understand, then you don't understand)

We're gonna stop dreaming  
(The way I feel)  
About you

Last night  
Can't believe what I was hearing  
Telling me to have a nice life  
So tonight  
I don't think I'll spare your feelings  
You're on your own  
I'ma do for me what's right

Last night  
(Just-a last night)  
Can't believe what I was hearing  
(Just can't believe it baby)  
Telling me to have a nice life  
(Oh)  
So tonight  
(Yea)  
I don't think I'll spare your feelings  
You're on your own  
I'ma do for me what's right  
(Got something I wanna tell ya girl)

I hope you're thinking  
(Tell me girl, when I was your man)  
I hope it sinks in  
(If you don't understand, then you don't understand)  
Well I guess I'm gonna stop dreaming  
(The way I feel)  
About you  
(Let me tell you one more time)

I hope you're thinking  
(Tell me girl, when I was your man)

(My baby)  
I hope it sinks in  
(If you don't understand, then you don't understand)  
(Yea yea yea yea)  
Well I guess I'm gonna stop dreaming  
(The way I feel)  
About you

Oh baby  
Yea yea yea yea  
See I ain't gonna be the one  
Ain't gonna play these games with you  
But I still love you

Remember girl when I was your man  
Ain't nothing gonna take that away  
No no no no, no no-no

See I remember  
In December  
We were walking holding hands  
And I was your man  
Can't we just get back to that?  
Baby?
