Hey, hey, hey

My love, uh huh, my love, hey  
My love, hey, my love, hey  
My love, hey, my love, hey  
My love, hey, my love, hey

My love, hey, my love, hey  
My love, hey, my love, hey  
My love, hey, my love, hey  
My love, my love, my love

I love the way you're standing  
Lips look so sweet, like cotton candy  
(My love)

That don't mean you gotta stop dancing  
'Cause the way that you move is so demanding  
(My love)

Let's put it on cruise control  
Let me take you to the crib  
Let me ease your soul  
(My love)

I'm gonna take it nice and slow  
But first let me, let me, let me talk to her

My love, hey, my love, hey  
My love, hey, my love, hey  
My love, hey, my love, hey  
My love, hey, my love, hey

My love, hey, my love, hey  
My love, hey, my love, hey  
My love, hey, my love, hey  
My love, hey, my love, my love

Walk into my great place, cozy  
I'm glad you came, let's make a toast to  
(My love)

Let me make an indecent proposal  
Let me take you to the back and do what we're suppose  
to  
(My love)

Let's take a trip to the bayou  
You can be the investigator, I'm your private I  
(My love)

You know I want a piece of that pie  
But first let me, let me, let me talk to her

My love, hey, my love, hey  
My love, hey, my love, hey  
My love, hey, my love, hey  
My love, hey, my love, hey

My love, hey, my love, hey  
My love, hey, my love, hey  
My love, hey, my love, hey  
Ain't another woman that could take your spot my

If I wrote you a symphony  
Just to say how much you mean to me  
(What would you do?)  
If I told you you were beautiful  
Would you date me on the regular?  
(Tell me would you?)

Well baby, I've been around the world  
But I ain't seen myself another girl  
(Like you)  
This ring here represents my heart  
But there's just one thing I need from you  
(Say I do)

Because I could see us holding hands  
Walking on the beach, our clothes in the sand  
I can see us on the countryside  
Sittin' on the grass layin' side by side

You could be my baby  
When I look at my lady  
Girl, you amaze me  
Ain't gotta do nothin' crazy  
See all I want you to do is be

My love, so don't give away  
My love, so don't give away  
My love, so don't give away  
Ain't another woman that can take your spot

My love, so don't give away  
My love, so don't give away  
My love, so don't give away  
Ain't another woman that can take your spot  
My love, love, my love, my love

Now if I wrote you a love note  
And made you sign up every word I wrote  
(What would you do?)  
Would that make you want to change your scene  
And want to be the one on my team?  
(Tell me would you?)

See, what's the point in waiting anymore?  
~Cause girl, I never been more sure  
(That baby, it's you)  
This ring here represents my heart  
And everything that you've been waiting for  
(Just say it, I do)  
Because

I could see us holding hands  
Walking on the beach, our clothes in the sand  
I can see us on the countryside  
Sittin' on the grass layin' side by side

You could be my baby  
When I look at my lady  
Girl, you amaze me  
Ain't gotta do nothin' crazy  
See all I want you to do is be

My love, so don't give away  
My love, so don't give away  
My love, so don't give away  
Ain't another woman that can take your spot

My love, so don't give away  
My love, so don't give away  
My love, so don't give away  
Ain't another woman that can take your spot  
My love, love, my love, my love

Shorty cool as a fan  
On the new once again  
But he still has fans from Peru to Japan  
Hey listen baby, I don't wanna ruin your plan  
But if you got a man, try to lose him if you can

~Cause the girls real wild, throw they hands up

high  
When they wanna come kick it wit a stand up guy  
You don't really wanna let a chance go by  
Because you ain't been seen wit a man so fly

Baby France so fly, I can't go fly  
Private, 'cause I handle mine BI  
They call me candle guy  
Simply 'cause I am on fire

I hate to have to cancel  
My vacation so you can't deny  
I'm patient, but I ain't gonna try  
You don't come, I ain't gonna die

Hold up, what you mean, you can't go, why?  
Me and your boyfriend we ain't no tie  
You say you wanna kick it when I ain't so high  
Well baby, you decide just that I ain't your guy

I ain't gon' lie, I feel your space  
Then forget your face, I swear I will  
Same mark, same bullet anywhere I chill  
Just bring wit me a pair, I will

I could see us holding hands  
Walking on the beach, our clothes in the sand  
I can see us on the countryside  
Sittin' on the grass layin' side by side

You could be my baby  
When I look at my lady  
Girl, you amaze me  
Ain't gotta do nothin' crazy  
See all I want you to do is be

My love, love  
My love, love  
My love, love  
Ain't another woman that can take your spot

My love, love  
My love, love  
My love, love  
Ain't another woman that can take your spot  
My love, love, my love, my love
