Yo Yo it's Justin  
Hey ya'll  
Wats up  
Wats doin

I'm better than ya'll  
My good looks and my large banana  
I'm ready for some action  
Who wants to touch me

Come on girls and some boys  
Lets touch me lets feel me  
Lets make love

I'm bored of feelin myself  
I need some new lovin  
Come on ya'll  
Lets make this night last forever

Lets touch me  
Lets make love  
Lets make love  
Oooohhhh  
Oooooohhhhhh

Yeh yeh

Lets get together tonight ya'll
