[Verse 1]

Hey little mama
Ain't gotta ask me if I want to
Tell me, can I get a light?
Roll you up and let it run through my veins
Cause I can always see the farthest stars when I'm on
you
I don't wanna ever come down from this cloud of loving
you

[Hook]

Cause now you got me hopped up on that
Pusher love
So high I'm on the ceiling baby
You're my drug
So gon' and be my dealer baby
Roll me up
Cause all I want is you, baby
Cause now you got me hopped up on that
Pusher girl
So high I'm on the ceiling baby
Be my drug
So gon' and be my dealer baby
Hook me up
All I want is you baby
You're my little pusher love girl (Ain't ya?)
Just my little pusher love girl

[Verse 2]

Now hey little mama
I love this high we're on to
And I know that your supply
Won't run out anytime soon
You gave me a taste, now I know there's no getting off
you
I don't wanna ever come down off this cloud of lovin'
you

[Hook]

[Break]

Since you came around, I've been living a different life
I don't wanna come down from this love I got on high
And people call me a user, but I want you
To go on and use me too
Nothing else will do
All I want is you babe
Baby, You know who you are
Now you got me hopped up on that

[Hook] x2

[Outro]

Sing it, pusher love
I'm just a, junkie for your love
I'm just a, junkie for your love (Come on)
Now I'm just a, junkie for your love (I'm hopped up on it)
And now I'm just a junkie for your love (Break it down)
My heroine, my cocaine, my plum wine, my MDMA
I'm hopped up on it, it won't go away
Now I can't wait 'til I get you home and get you in my
veins (Pusher love)
Now I'm just a, junkie for your love (I'm hopped up on it)
Now I'm just a, junkie for your love (Pusher love)
I'm just a, junkie for your love (I'm hopped up on it)
And now I'm just a, I'm just a, junkie for your love
Uh, my nicotine, my blue dream, my hydroponic candy
jelly bean
Did you fix me up, I'm your number 1 fiend
Be my little pill and just creep into my blood stream
Bloodshot eyes, I'm hopped up on it
You ain't gotta think twice, just hop up on it
There's a million names for your kind of chronic
Uh, that pusher love, that's what I call it (Pusher love)
I'm just a, junkie for your love (I'm hopped up on it)
Now I'm just a, junkie for your love
Let me hear you say pusher love
I'm just a, junkie for your love (I'm hopped up on it)
And now I'm just a, junkie for your love (Pusher love)
