Your touch is so magic to me  
The strangest things can happen  
The way that you react to me  
I wanna do somethin' you can't imagine  
Imagine if there was a million mess talkin' sexy to you  
like that  
You think you can handle boy if I give you my squeeze  
and I need you to push it right back  
Can you show me, show me  
What's your favorite trick that you wanna use on  
me  
and I'll volunteer and I'll be flowin' goin' to  
go the distant place that nothing but shoes on me oh  
babe  
Chorus  
(Uuuuh) All night show, it's just you and the clock  
to do tricks you never seen  
(Uuuuh) And I bet that I could make you believe that  
love is sexy magic (Aaaah)  
So just let me drive my body around you, I bet you  
I know what I mean  
(Uuuuh) Cos' you know that I could make you  
believe that my love is sexy magic (Aaaah)

Everything ain't what it seems, I wave my hands  
and I got you  
You feel so fly assisting me, but now its my turn to  
watch you  
Ain't gonna stop you if you wanna crowd my neck,  
talk sexy, do me like that  
Just do what I taught you boy, when I give you my  
squeeze and I need you to push it right back  
Can you show me, show me  
What's your favorite trick that you wanna use on  
me  
and I'll volunteer and I'll be flowin' goin' to  
go the distant place that nothing but shoes on me oh  
babe

Chorus  
(Uuuuh) All night show, it's just you and the clock  
to do tricks you never seen
