(Verse 1)

Your touch is so magic to me  
The strangest things can happen  
The way that you react to me  
I wanna do something you can't imagine  
Imagine if there was a million me's talking sexy to you like that  
You think you can handle, boy  
If I give you my squeeze and I need you to push it right back

(Verse Break)

Baby, show me, show me  
What's your favorite trick that you wanna use on me  
And I'll volunteer  
And I'll be flowing and going  
Till clothing disappears, ain't nothing but shoes on me  
Oh, baby

(Chorus)

All night, show it, just you and the crowd  
Doing tricks you never seen  
And I bet that I can make you believe  
In love and sex and magic  
So let me drive my body around you  
I bet you know what I mean  
Cause you know that I can make you believe  
In love and sex and magic

(Verse 2)

Everything ain't what it seems  
I wave my hands and I got you  
And you feel so fly assisting me  
But now it's my turn to watch you  
I ain't gonna stop you if you wanna crowd my neck

Talk sexy to me like that  
Just do what I taught you, girl  
When I give you my heat and I need you to push it right back

(Verse Break)

(Chorus)

(Bridge)

Oh, this is the part where we fall in love  
Oh, let's slow it down so we fall in love  
But don't stop what you're doing to me

(Chorus [2x])
