123 Go  
Ciarra...

Here we go

Your touch is so magic to me  
The strangest things can happen  
The way that you react to me  
I wanna do somethin' you can't imagine  
Imagine if there was a million mes talkin sexy to you  
like that  
You think you can handle boy if I give you my squeeze  
and I need you to push it right back

Can you show me, show me  
What's your favorite trick that you wanna use on me  
And I'll volunteer and I'll be flowin and gowin till  
clothing disappears, aint nothing but shoes on me. oh  
babe

Chorus  
(Uuuuh) All night show, it's just you and the crowd to do  
tricks you never seen  
(Uuuuh) And I bet that I could make you believe in love  
is sexy magic (Aaaah)  
So just me drive my body around you, I bet you'll know  
what I mean  
(Uuuuh) Cos' you know that I could make you believe in  
love is sexy magic (Aaaah)

Everything ain't what it seems, I wave my hands and I  
got you  
You feel so fly assisting me, but now it's my turn to  
watch you  
Ain't gonna stop you if you wanna crowd my neck, talk  
sexy, do me like that  
Just do what I taught you girl, when I give you my heat  
and I need you to push it right back

So can you show me, show me  
What's your favorite trick that you wanna use on me?  
And I'll volunteer and I'll be fowin'and goin till clothing

disappears, aint nothing but shoes on me. oh babe

Chorus

(Uuuuh) All night show, it's just you and the crowd to do  
tricks you never seen

(Uuuuh) And I bet that I could make you believe in love  
is sexy magic (Aaaah)

So just me drive my body around you, I bet you'll know  
what I mean

(Uuuuh) Cos' you know that I could make you believe in  
ove is sexy magic (Aaaah)

This is the part that we fall in love... Ooohh

Lets slow it down so we fall in love... Ohhh

(But don't stop what ya doin to me)

Chorus

(Uuuuh) All night show, it's just you and the crowd to do
