i like to party, uh uh,  
everybody does,  
make luv and listen to the music,  
you've got to let yourself go go go go go

i like to party, uh uh,  
everybody does,  
make luv and listen to the music,  
you've got to let yourself go go go go go,

make luv and listen to the music,  
go go go go,  
make luv and listen to the music,  
you've got to let yourself go go go go go,

make luv and listen to the music,  
go go go,  
make luv and listen to the music,  
you've got to let yourself go go go go go,

(music solo)
