Ain't no other woman that could take your spot my..

If I wrote you a symphony  
Just to say how much you mean to me (what would you do)  
If I told you, you were beautiful  
Would you date me on the regular (tell me would you?)  
Well baby, I've been around the world  
But I ain't seen myself another girl (like you)

This ring here represents my heart  
But there's just one thing I need from you (say I do)

[Bridge:]  
Because, I can see us holding hands  
Walking on the beach our toes in the sand  
I can see us on the country side  
Sitting on the grass laying side by side  
You can be my baby  
Let me make you my lady  
Girl you amaze me  
Aint gotta do nothin crazy  
See all I want you to do is beÂ!

[Chorus x2]  
My love (so don't give away)  
My love (so don't give away)  
My love (so don't give away)  
Ain't another woman that could take your spot my love  
My love  
My looooooove  
My loooooove  
My looooooove

Now if I wrote you a love note  
And made you smile at every word I wrote (what would you do?)  
Would that make you want to change your scene  
And wanna be the one on my team (tell me would you?)  
See, what's the point in waiting anymore  
'cause girl, I never been more sure (that baby, it's you)  
This ring here represents my heart

And everything that you've been waiting for (just say it,  
I do)

[Bridge:]

Because, I can see us holding hands  
Walking on the beach our toes in the sand  
I can see us on the country side  
Sitting on the grass laying side by side  
You can be my baby  
Let me make you my lady  
Girl you amaze me  
Aint gotta do nothin crazy  
See all I want you to do is be a

My love (so don't give away)  
My love (so don't give away)  
My love (so don't give away)  
Ain't another woman that could take your spot my love  
My love  
My looooooove  
My loooooove  
My loooooove

[TI:]

Alright it's time to get it JT  
I don't know what she hesitating for man  
(Aye aye) Shorty, cool as a fan  
On the new once again  
(Baby) Still has fans from Peru to Japan  
Listen baby, I don't wanna rule your plan  
But if you got a man, try to lose him if you can  
Cause the girls real wild throw they hands up high  
When they wanna come and kick it wit a stand up guy  
You don't really wanna let the chance go by  
Cause you ain't been seen wit a man so fly  
(baby) France so fly I can go fly  
Private, cause I handle my B-I  
They call me candle guy, simply because I am on fire  
I hate to have to cancel my vacation so you can't deny  
I'm patient, but I ain't gonna try  
You don't come, I ain't gonna die  
Hold up, what you mean, you can't go why?  
Me and you boyfriend we ain't no tie  
You say you wanna kick it, when i aint so high  
Well baby, its obvious that I ain't your guy  
I ain't goin lie, I feel your space  
But forget your face, I swear I will  
Same bark, same bullet, anywhere I chill  
Just bring wit me a pair, I will

[Bridge:]

I can see us holding hands  
Walking on the beach our toes in the sand  
I can see us on the country side  
Sitting on the grass laying side by side  
You can be my baby  
Let me make you my lady  
Girl you amaze me  
Aint gotta do nothin crazy  
See all I want you to do is be a

[Chorus x2:]
