I was just walking that day  
Aimlessly  
(Oh, oh no)  
You picked a perfect day  
To bump into me  
(Perfect day, mmm)  
Probably should've watched the stars in the sky  
The night before  
(Heey, hey)  
But for some reason  
We still met at your store  
(You, baby)  
Your eyes have a story that they wish to tell  
And I have my whole life  
And I listen well  
(Hey)  
Look, I'll be your confidant  
Tell me anything  
But please start it off with how you tuck your wings  
(Ohhh ooo ohh)

There's nothing else that I have seen  
There's no getting around it  
Or in between  
You're out of this world  
Except you're not green  
Look  
You don't know what you mean  
To me  
To me

All my friends meet you and say  
You're the one  
(You're the one, you're the one... hey ooo)  
And all my meaningless friendships Should be done  
(I should just leave them alone, baby, eh heh)  
You had a friend  
But he did you wrong  
But I'm a God sent sign  
That reads  
Please move on  
With me

(With me)

You taught me to use my heart  
And forget my eyes  
(Use my heart... forget my eyes.. mmm)  
And that's the way  
To His kingdom of eternal life  
(ooh eh heh hehhh)  
Since you're an angel, baby  
Your job's never done  
Too bad the world won't see you

When they dial 9-1-1  
(That's why..)

There's nothin' else that I have seen  
There's no getting around it  
Or in between  
You're out of this world  
Except you're not green  
Look  
You don't know what you mean  
To me  
(To me, to me, to me)  
To me

There's nothin' else that I have seen  
There's no getting around it  
Or in between  
You're out of this world  
Except you're not green  
Look  
You don't know what you mean  
To me  
(To me, to me, to me)  
To me

There's nothin' else in this world  
(Nothin' else)  
Like you  
(Yeah)  
So why is it so complicated?  
(So complicated)  
What are you afraid of?

(Oooh, ooh)  
I've been asking everybody  
What they think  
(Yeah, yeah)  
But I don't know why  
Because they don't know you

(Ooh, ooh)  
I'm even asking other guys  
What would they say  
(Yeah, yeah)  
But I don't know why  
'Cause they don't do what I do  
(Ooh, ooh)  
Girl, I say an ultimatum for you  
(Yeah-yeah, yeah)  
But you'd probably take that  
And just run  
(Ooh, ooh)  
Now I gotta decide if I'mma help raise your mind  
Seems like the ultimatum or me  
That's no fun

I was just walking that day  
Aimlessly

Da da da-dum  
Da da da-dum  
Da da da-dum  
Dum dum dum...
