S-N-double O-P-D-O double Gizzle 'n J Tizzle [repeat]

I saw you last night  
(freak, freak)  
In the powder room  
Talking to your girlfriends, your girlfriends  
Who were lookin' in the mirror  
(freak, freak)  
Lookin so fine, Maybeline applying maybe later you'll  
give me your time

And

[Chorus]  
Let me take your picture [x3]  
Come on baby  
Won't you pose for my camera  
Lookin' like a model, lookin' like a superstar  
You're out of sight

I saw you last night  
(hey girl)  
In the dicso dancing with your girlfriends, your  
girlfriends  
Y'all were dancing to my shit (LILY riff) like this  
Shakin' hips, maybe I could capture you on camera and  
take a flick

[Chorus]

[Chorus 2]  
So pose pose pose  
Only for my photos  
Expose, expose  
Those things you want to show

Just pose pose pose  
Only for my photos  
Expose, expose  
Those things you want to show

[Snoop]

Hey yo Jt, let me holler at baby real quick,  
I got this new camera I want to try this out on her one  
time, dig this

Head, shoulders, feet and toes,  
Work that body go'on and pose  
Please the crowd, easy now  
Go ahead baby girl cheese and smile  
She said Mr. Mr., would it be cool if I took a picture  
(picture)  
To hang it on the wall with the rest of the best  
I had her back in an hour or less  
He say she say we say play,  
Doggy dog take it easy  
It's time to expose  
I'll break off the rolls  
Now take off your clothes  
Get real close up under the light  
And do that thing  
Sho your right  
Now close the doors  
Now you can really give it to me go on strike a pose

I saw you last night,  
(hey girl)  
At the cafÃ©  
But you wasn't with your girlfriends, your girlfriends  
So I stepped up to ya  
(hey girl)  
I pursued ya cause I couldn't stand to wait  
Let's date  
That'd be great

Wait! Stop and picture, baby stop and picture, baby  
stop and picture  
Me with you girl, you know I can handle ya  
Treat you like a queen, treat you like a superstar  
You're outta sight  
[repeat]

[Chorus 2]
