This goes out to you, this is dedicated to you
Dedicated to you, dedicated to you, dedicated to you
It was such such a mellow, mellow, mellow day
When you walk by, the sunshine
Mellow, mellow, mellow day

I, I can't deny the way you caught my eye
I mean something struck and refilled up the sky
And everything on you intoxicates
It's a mystery, I don't know why
I let you kick in my do not disturb sign
But I guess your mouth in motion got me so high
And I could tell it's pure just by the taste
And you kiss me

So tell me you wanna get close somewhere far away
Don't worry about your loving it won't go to waste
Don't ever change your flavor cause I love the taste
And if you ask me where I wanna go, I say all the way

Cause she's just like nothing
That I ever seen before,
Baby please don't change nothing
Because your flavours so original
And it all started when she said
Hey hey hey, smacking that Strawberry Bubblegum
You really got me when you said
Hey hey hey, popping that Strawberry Bubblegum
This goes out to you, this goes out to you,

So tell why, we're making love like professionals on the first time
Acting unprofessional but it works out
'Cause you don't wanna work here anyway
And baby I, girl I'm all addicted and I won't fight
You and me that's the recipe for a good time
And it ain't really nothing but clothes in the way

My little Strawberry, Strawberry, Strawberry Bubblegum
My little Strawberry, Strawberry, Strawberry Bubblegum
She's my little Strawberry Strawberry Bubblegum
My little Strawberry, Strawberry, Strawberry Bubblegum
Hey, hey, hey

If you'd be strawberry bubblegum
Then I'd be your blueberry lollipop

Little girl won't you be my strawberry bubblegum
Then I'd be your blueberry lollipop
And then I'd love you 'til I'll make you pop
Strawberry bubblegum
Then I'd be your blueberry lollipop
Little girl if you'd be my strawberry bubblegum
Then I'd be your blueberry lollipop
And then I'd love you 'til I make you pop
