Ridin in the drop top with the top down
Saw you switchin lanes (girl)
Pull up to the red light lookin right
Come on let me get your name (girl)
Tell me where your from, what you do, what you like
Let me pick your brain (girl)
And tell me how they that got that pretty little face
On that pretty little frame (girl)

But let me show you round, let me take you out
Betcha we can have some fun (girl)
Cause we can it do fast fast slow
Which ever way you wanna run (girl)
But let me buy you drinks better yet rings
Do it how you want it done (girl)
And who woulda thought that you could be the one
cause I...

I can't wait to fall in love with you
You can't wait to fall in love with me
This just can't be summer love you'll see
This just can't be summer love (L-O-V-E)

Come on and let me show you round, let me take you
out
Betcha we can have some fun (girl)
Cause you could dress it up, you could dress it down
Any way you want it done (girl)
Or we can stay home talkin on the phone
Rappin till we see the sun (girl)
Do what I gotta do, just gotta show you
That I'm the one (girl)

Well I'ma freak ya right each and every night
I know how to do it insane (girl)
Cause I can make ya hot make ya stop
Make ya wanna say my name (girl)
Come on baby please cause I'm on my knees
Can't get you off my brain (girl)
But who woulda thought that you could be the one
cause I...

I can't wait to fall in love with you
You can't wait to fall in love with me
This just can't be summer love you'll see
This just can't be summer love (L-O-V-E)

Cause I can't wait to fall in love with you
You can't wait to fall in love with me
This just can't be summer love you'll see
This just can't be summer love (L-O-V-E)

Summer's over for the both of us (summer's over)
But that doesn't mean we should give up on us (don't
give up)
You're the one that I've been thinkin' of (you're the one)
And I knew the day I met you you'd be the one

I can't wait to fall in love with you
You can't wait to fall in love with me
This just can't be summer love you'll see
This just can't be summer love (L-O-V-E)

Cause I can't wait to fall in love with you
You can't wait to fall in love with me
This just can't be summer love you'll see
This just can't be summer love (L-O-V-E)

[Set the Mood (Prelude)]

Let me set the mood right
Cause I'm gonna make you feel alright
Let me set the mood right
Cause I'm gonna make you feel alright

I gotta set the mood right
Let me make you feel alright
I'm gonna set the mood alright
I promise baby, feel alright

Just let me set the mood right
Let me make you feel alright
Cause I'm gonna set the mood right
Then you'll say my name time tonight

If I see the mood right
Promise girl you'll feel alright
If you let me set the mood right
I'll make you feel so good tonight
