J-"You know its been a dream come true to host SNL tonight,  
I've been a fan since I was a kid.  
Growing up the two shows I never missed were  
Saturday Night Live...and the Muppet Show."

"So if you don't mind, there's another dream I've  
always had,  
and that's to sing with Kermit the Frog."

J- "Hello Kermit."

K- "Justin, I'd be honored to sing with you."

J-"Well I just figured, when's the next time I'm gonna  
have the chance right?"

K- "Well uh what shall we sing?"

J- "I've already got it picked out."

K- "Aww this is a nice one!"

J- Why are there so many songs about rainbows and  
whats on the other side

K- Rainbows are visons but only illusions  
And rainbows have nothing to hide

J- So we've been told and some choose to believe

K- I know they're wrong wait and see

J & K- Someday well find it, the rainbow connection the  
lovers, the dreamers and me

K-"You're a very good singer Justin"

J- "You're not so bad yourself Kermit."

K-"Maybe you me and P. Diddy should cut an album!"  
(laughs)

J- Who said that every wish would be heard and  
answered when wished on the morning star

K-"OW!"

J- "Sorry"

K- "Careful Justin you uh stepped on my buddy's leg  
down there."

K- Somebody thought of that and someone believed it

and look what its done so far.

K- "OWW!"

J- "Sorry!!"

K- "I've been telling you all week!"

J- Whats so amazing that keeps us star gazing

K- And what do we think we might see

K- "Seriously! Back off!!"

J- "Oh MY bad! Is this any better!?"

(punching sounds)

K- "Ow!" "Ow!" "Ow!" "ahhhh!"

(more punching)

J- "Yeah you like that don't you?!?"

K- "Hey guys! Guys! Stop fighting! This song is about togetherness!"

J- "He's right"

K- "Bill, can you say to Justin you're sorry for shoving him?"

Bill- "I'm sorry Justin"

K- "And Justin can you say you're sorry to Bill for being a dushebag?"

J- "I am NOT a dushe..."

K- Someday we'll find it (J joins in) the rainbow connection

the lovers the Dushebags (J drops outs) and me

(punching sounds)
