Hey girl(girl)

is he everything you wanted in a man?

You know I gave you the world(world),

You had me in the palm of your hand

So why your love went away?

I just can't seem to understand

Thought it was me and you baby...

Me and you until the end, but I guess I was wrong

[Chorus]

Don't wanna think about it, don't wanna talk about it

I'm just so sick about it, Can't believe it's ending this way

Just so confused about it, feeling the blues about it

I just can't do without ya, tell me is this fair?

This is the way it's really going down

Is this how we say goodbye?

I should've known better when you came around

That you were gonna make me cry

It's breaking my heart to watch you run around

Cause I know that you're living a lie

But that's okay baby cause in time you'll find...

What goes around, goes around, goes around, comes

all the way back around

What goes around, goes around, goes around, comes
all the way back around

What goes around, goes around, goes around, comes
all the way back around

What goes around, goes around, goes around, comes
all the way back around

Yeaaaaaah

Now girl, I remember everything that you claimed

You said that you were moving on now (now)

And maybe I should do the same (maybe I should do
the same)

Funny thing about that is, I was ready to give you my
name

Thought it was me and you baby and now it's all just a
shame

And I guess I was wrong...

[Chorus]

Don't wanna think about it, don't wanna talk about it

I'm just so sick about it, I can't believe it's ending this
way

Just so confused about it, feeling the blues about it

I just can't do without ya, tell me is this fair?

This is the way it's really going down

Is this how we say goodbye?

I should've known better when you came around

That you were gonna make me cry

Now it's breaking my heart to watch you run around

Cause I know that you're living a lie

But that's okay baby cause in time you'll find...

What goes around, goes around, goes around, comes
all the way back around

What goes around, goes around, goes around, comes
all the way back around

What goes around, goes around, goes around, comes
all the way back around

What goes around, goes around, goes around, comes
all the way back around

Yeaaaaaah

What goes around, comes around (comes around)
yeaaaaaah

What goes around, comes around (comes around)
yeaaaaaah

You should've known that...

What goes around, comes around (comes around)
yeaaaaaah

What goes around, comes around (comes around)
yeaaaaaah

You should've known that...

Don't wanna think about it, don't wanna talk about it

I'm just so sick about it, I can't believe it's ending this
way

Just so confused about it, it'll end up in the news about
it

I just can't do without ya, tell me is this fair?

This is the way it's really going down

Is this how we say goodbye?

I should've known better when you came around

That you were gonna make me cry

It's breaking my heart to watch you run around

Cause I know that you're living a lie

But that's okay baby cause in time you'll find...

What goes around, goes around, goes around, comes
all the way back around

What goes around, goes around, goes around, comes
all the way back around

What goes around, goes around, goes around, comes
all the way back around

What goes around, goes around, goes around, comes
all the way back around

Yeaaaaaah

Yup, yup, yup

Let me paint this picture for you baby, yup

You spend your nights alone

And he never comes home

And every time you call 'em

All you gets a busy tone

I heard you found out what he's doing to you

What you did to me, ain't that the way it goes?

When you cheated girl, my heart bled girl

So it goes without saying "you left me feeling hurt"

Just a classic case, it's a sce-sce-scenario

Tale as old as time, girl you got what you deserved

And now you want somebody to cure the lonely nights

You wished you had somebody that can come and
make it right

Well girl I ain't somebody and not a sympathy (see,
see)

What goes around, comes back around

I thought I told ya, hey eyyy

What goes around, comes back around

I thought I told ya, hey eyyy

What goes around, comes back around

I thought I told ya, hey eyyy

What goes around, comes back around

I thought I told ya, hey eyyy

What goes around, comes back around

I thought I told ya, hey eyyy

What goes around, comes back around

I thought I told ya, hey eyyy

(Take it to 'em eyy..)

Haha..

(Take it to 'em eyy..)

(Hey, hey, hey..)

See, you should've listened to me baby

(Take it to 'em eyy..)

(Hey, hey, hey..)

(Take it to 'em eyy..)

(Hey, hey, hey..)

Because... what goes around, come back around

Haha...
