Uhh

Uhh, uhh, uhh, uhh

Uhh, uhh, uhh, uhh

Let's go

Get your somethin'

(Uhh)

Don't say nothin'

(Don't you say a word)

I just want to see you work it

(Come on baby work it for me, yea)

That ain't frontin'

(No)

Show me somethin'

(Let me see it girl)

I just tried to see you work it

(I just wanna see you work it for me, yea)

I hear her talkin' loud

But she ain't sayin' nothin'

What up wit' all the front?

Come on and show me somethin'

You know you wanna do it

Go ahead, your man ain't comin'

(Please)

Do that thang when you dip

And keep your hips bumpin'

What up wit' all these questions?

And what you kinda faded

(Go)

You talkin' to me like

You talkin' to an adolescent

(Jump off, jump off)

Clothes

(Come off, come off)

Heard maze, Frankie B

And

(So on, so on)

Hey

Let your waist pop

(Huh)

When the bass knocks

(Yea)  
I flood the watch to the top  
Until there's no clock  
(Aaa)  
Can't even tell the time  
But you know it's mine  
What time was it? ma  
It's twenty carats after nine  
(Oww)  
Are you dehydrated?  
(Ohh)  
Well, let me quench your thirst  
(Check it)  
But first things first  
Let's do what we rehearsed  
(Come on)  
Don't get nervous now  
And show me, break, break it  
Get up and take a stance  
And let me see you

Get your somethin'  
(Uhh)  
Don't say nothin'  
(Don't you say a word)  
I just want to see you work it  
(Come on baby work it for me, yea)  
That ain't frontin'  
(No)  
Show me somethin'  
(Let me see it, girl)  
I just tried to see you work it  
(Shake it, shake it, shake it)  
(I just wanna see you work it for me, yea)

She still talkin' loud  
But she ain't sayin' nothin'  
Why you ain't movin', ma?  
D.J. ain't playin' nothin'  
You tell him play this here  
Until the speakers blow  
(Birthdays pick a place, baby, we can go)  
I like your Airmax  
(Max)  
The shirt wit' no back  
(Backs)  
She showin' off her tats  
(Tats)  
You ain't know slightly  
(Ghetto, ghetto)  
She moves

(Etto, 'etto)  
She five-five, brown eyes  
(Is the letto, letto)  
(Yea, yea)  
Well, did you come alone?  
Oh, you got two or three  
That ain't no thang babygirl  
'Cuz I got two wit' me  
And we gonna all kick it  
And you about to see  
Just what a day would be  
If you was in the ride wit me  
(Turnin' on the headlights)  
Then we be  
(Burnin' all the red lights)  
Oh, it's full steam ahead  
(Yea)  
And ain't no stoppin' now  
(Now)  
Now come on here and drop it  
And he gonna tell you why

Let's show somethin'  
(Uhh)  
Don't say nothin'  
(Don't you say a word)  
I just want to see you work it  
(Come on baby work it for me, yea)  
That ain't frontin'  
(No)  
Show me somethin'  
(Let me see it, girl)  
I just tried to see you work it  
(I just wanna see you work it for me, yea)

(Now come on)  
And all my mid west shorties  
Come on do that thang and  
(Dance for me, dance for me, yeah)  
And all my down south shorties  
Come on do that thang, come on  
(Come on, come on, come on, come on, come on)  
And all my east coast shorties  
Come on do that thang, I say  
(Dance for me, dance for me, yea)  
And all my west coast shorties  
Come on do that thang  
(Come on, come on, come on, come on, come on)

She still talkin' loud  
Hold up, I hear her better now

She keep a thong print  
On in any weather now  
No sight of her band  
But I can hear the horns playin'  
(Too, ruu, too, too, too, ruu, too, too, too)  
Ohh, she got me hypnotized  
Ohh, just like that biggie guy  
'Cuz she's been tryin'  
To prove a point since we been inside  
Can't wait to get it on  
Just wait till we get home  
I'm on some' call up partner J  
(Momma come on)

Let's show somethin'  
(Uhh)  
Don't say nothin'  
(Come on, don't you say a word)  
I just want to see you work it  
(Come on, baby, work it for me, yea)  
That ain't frontin'  
(No)  
Show me somethin'  
(Well, let me see it girl)  
I just tried to see you work it  
(I just wanna see you work it for me, yea)

Uhh, uhh, uhh, uhh  
I just want to see you work it
