Just something about you
The way I'm lookin' at you whatever
You keep lookin' at me
You gettin' scared now, right?
Don't fear me, baby, it's just Justin
It feel good right? Listen

I kind of noticed from one night
From the club, your front face
It's kind of weird to me since you're so fine
If it's up to me you'll face no change

If you smiling, that should set the tone
Just be limber
And if you let go, the music should move your bones
Just remember
Sing this song with me

Ain't nobody love you like I love you
You're a good girl and that's what makes me trust ya
Late at night, I talk to you
You will know the difference when I touch you

People are so phony
Nosy 'cause they're lonely
Aren't you sick of the same thing?
They say so and so was dating
Love you or they're hatin'
When it doesn't matter anyway
'Cause we're here tonight

If you smiling, that should set the tone
Just be limber, baby
And if you let go, the music should move your bones
So, baby, just remember
Sing this song with me

Ain't nobody love you like I love you
You're a good girl and that's what makes me trust ya
Hey, late at night, I talk to you
You will know the difference when I touch you

Yeah, you know I can make ya happy
I could change your life
If you give me that chance to be your man
I won't let you down, baby
If you give me that chance to be your man
Here, baby, put on my jacket and then

Maybe we'll fly tonight
(I just wanna love you, baby)
Girl
(Yeah, yeah, yeah)
Maybe we'll fly tonight
(I just wanna love you, baby)
Girl

Ma, what chu wanna do? I'm in front of you
Grab a friend, see I can have fun with two
Or me and you put on a stage show
And the mall kids, that's how to change low

From them you heard, "Wow, it's the same glow"
Look at me, I say, "Yeah, it's the same dough"
We the same type, you my air of life
You have sleepin' in the same bed, er'night

Go rock with me, you deserve the best
Take a few shots, let it burn in your chest
We could ride down, pumpin' N.E.R.D. in the deck
Funny how a few words turn into sex

Play this free, joint called "brain"
Ma, take a hint, make me serve in the lane
The name Malicious and I burn every track
Clipse and J. Timberlake, now how heavy is that?

Maybe we'll fly tonight
(I just wanna love you, baby)
Girl
(Yeah, yeah, yeah)
Maybe we'll fly tonight
(I just wanna love you, baby)
Girl

Ain't nobody love you like I love you
(Can't love you like I do)
You're a good girl and that's what makes me trust ya
(Makes me trust you like I do)
Late at night, I talk to you
You will know the difference when I touch you

You know, I used to dream about this

When I was a little boy
I never thought it would end up this way
Drums

It's kind of special right? Yeah
You know, you think about it
Sometimes people just destined
Destined to do what they do
And that's what it is
Now everybody dance
