Princess resuscitates drowning tramp  
Big business infiltrates postage stamp  
Happy days are here again  
And it's a gas man, oh boy  
And we will enjoy ourselves

Illiterate bored teenager gets spelling wrong on suicide  
note  
Loneliness of long distance drugs runner  
Ends on crowded Bangkok death row  
Happy days, oh happy days  
And it's a gas man, oh boy  
And we will enjoy ourselves

Over and over the sums are the same  
Count up the number of people in pain  
Take away friends and then add a few noughts  
Dividing it by the first number you thought  
And it's a gas man

Kill yourself if you want  
But I'll tell you this only once  
Don't
