Don't open the box , take the money  
Take it to the shops where we can spend it all, honey

On 90's memorabilia and rock 'n' roll records  
And experience the genius of Terrence and Leonard  
Send them victorious, happy and glorious  
Long to reign over us in the studio for us

My eyes have seen the glory of the legend  
And the story of Feather cropped  
And blow dried hair  
Clever clogs and Lionel Blair's

And I won't be watching TV any more  
I'll poke my TV eyes out at the door  
Nail my other records to the record shelf  
Enlighten, educate and entertain myself  
Listening to the sound of Lenny and Terrence
