Skywest and crooked
twisted and strange as fuck
Outside the bookies
window shopping for a change of luck
With love in our hearts
we've got it in spades
Skywest and crooked
you could've been the talk of the town
But the whole place stayed speechless
your upbringing brought you down
With love in our hearts
we've got it in spades
If we club together
with all the diamonds we've saved
We could look at our hearts and say
we've got it in spades
Skywest and crooked
so your whole world has been a catastrophe
But don't kill yourself stupid
this ain't the dead poets society
With love in our hearts

And we've got it in spades

If we club together with all the diamonds we've saved

We could look at our hearts and say

we've got it in spades
