I've looted and I've begged

On the tubes of the Bec and Broadway

I've been run over by cars

And to prove it her's the scars

On my wrists

I've been cut

I've been stitched

I've been bugged, bewitched and abandoned

But nothing in Heaven or Earth

Prepared me for this

The Final Comedown

It's a victory worth sharing

We should celebrate I think

With the bloodiest of Marys

But I'm too fucked to drink

DON'T BLAME ME...
