I was doing alright
Leaving and laying low
I was wasting my night
Calling my favorite song
On the local radio
I was staring at window
Staring down to the street
Just when the light... on the road
Telephone ring

I am waiting for Christchurch woman in the rain
and the rain keep coming but it ain't cover the pain

I was been a fool for conversations and a couple of
smokes
Yeah, when I'm feeling this blue
I need just someone someone who laughs at my jokes.

I am waiting for Christchurch woman in the rain
And itâ€™s still the evening so there's hope for a
better day

Now I know itâ€™s getting late
Itâ€™s Friday night and the crowd...fade
i know I shouldnâ€™t be here but
I am thinking every second
She will came from around the corner...

.....
She may be pretty someday I will be sick of her shit
I am waiting for Christchurch woman in the rain
and the rain keep coming but it ain't cover the pain
I am waiting for Christchurch woman in the rain
And itâ€™s still the evening so there's hope for a
better day
