Clock watching, heart stopping,
So pretty, he's got me
Playing the waiting game, longing to say his name
How will else, nothing else,
In my head but he
True love can be so strange,
I'm in the firing range

Why don't take your aim at me

Chorus:

Dear Jimmy what's a girl like me to do
Your picture on my wall says I'm for you
Dear Jimmy in my sleep we rendezvous
This love will last forever, this love will last forever

Oooohs

On paper we're made for each other
Why bother fighting what makes such sense
Put us in present tense

I live for each encounter
Where's it gonna be
True love can be unkind, if you don't read the signs
When will you say your mine, to me?

Chorus:

I'm waiting patiently for you
This table's always set for two
Its your move

Chorus:
