Holding you closer
It's time that I told you
Everything's going to be fine
Know that you need it
And try to believe it
Take me one step at a time

If this ain't love
Why does it feel (why)
Why does it feel (why)
Why does it feel (why)
Why does it feel so good
If this ain't love
Why does it feel (why)
Why does it feel (why)
Why does it feel (why)
Why does it feel so good

Think of tomorrow
We beg, steal or borrow
To make all we can in the sun
While we are moving
The music is soothing
Troubles we thought had begun

If this ain't love
Why does it feel (why)
Why does it feel (why)
Why does it feel (why)
Why does it feel so good
If this ain't love
Why does it feel (why)
Why does it feel (why)
Why does it feel (why)
Why does it feel so good

Will you remember me, boy
Remember me loving you

Just for this lifetime
You can be my pastime

Here are the rules of our play
In it together
'Till I know you better, darling
Darling, now what do you say

If this ain't love
Why does it feel (why)
Why does it feel (why)
Why does it feel (why)
Why does it feel (why)
Why does it feel (why)
Why does it feel (why)
Why does it feel so good

If this ain't love
Why does it feel (why)
Why does it feel (why)
Why does it feel (why)
Why does it feel so good
If this ain't love (why, why, why)
Why does it feel so good
