I come home in the middle of the night
I get my bags inside and I'm bein' real quiet, Mama
Walk in the door and I turn on the lights, I find you
Flat on your back with your legs open wide

Move on over, Mama I'm comin' home
Woman, you been sleepin' in the middle of the bed too
long

Got the dishes on the counter, got the clothes on the
floor
Mama, week's worth of trash sittin' there by the door
You say your, your feet are tired and your fingers are
sore
But Mama, I don't care about no household chores

Baby, mama, Lord I'm a comin' home
Woman, you been sleepin' in the middle of the bed too
long

Well now pushin' and a pullin', tossin' and a turnin'
And beatin' me up
Shove on over baby, don't you make me wait
Because your daddy's tired, he's all fed up

I say you ain't gotta clean, mama, you ain't gotta cook
You ain't gotta tell me things that you read in your
books
When I come home late, you ain't gotta wait up
But when I pull over them covers, don't you give me
that look!

Baby, Mama, lord, I'm comin' home
Woman, you been sleepin' in the middle of the bed too
long
I said woman, you been sleepin' in the middle of the
bed too long
