"Owe"

Visit "[Owe](#)" on MotoLyrics.com

I think I owe an apology for thinking you were a part of
me
I guess that's the worst part of me - I don't know where I
ought to be with you
And please forgive me for all the mess that lingers
under my consciousness
Keeps me hanging on every breath because I don't
think I could handle less than you

CHORUS And if I owe you one last word it's a lie, it's a
lie
Somewhere I got lost inside of your eyes, and I died
If I owe you one last word it's a lie, it's a lie
If I was wrong from the start of this for giving you such
a part of me
There's just one thing I must confess - I know I never
could pretend with you

CHORUS

It's a lie, it's a lie

CHORUS
