I shoulda learned better,  
Old enough to know,  
Slipping and slidin', feelin low.

Yeah just sit back [???],  
Ashamed for sure.  
Slipping and sliding, feeling low.

Now I'm waking up feeling bad, babe.  
I'm losing patience with my only friends.  
Why do I try my luck?  
I should never touch the stuff,  
but it's shouldn't make for [??? ??? ???]  
As long as I keep up appearances, Lord.

It wasn't too long,  
I need some coming home,  
Slipping and sliding, and feeling low.

Darling I just need a little company,  
Ain't seen the sunrise since I don't know when  
Days getting longer, nights getting cold.  
Slipping and sliding and feeling low.  
I'm a slipping and sliding, peeking and hiding,  
Slipping and sliding, feeling low.
