I guess you think I don't see what you're doing  
I know everything, who do you think you're foolin?  
go on and get your things, walk on out the door  
I said go on and get your things, I dont want you  
anymore  
oh no no no no no no  
I hope I never fall in love again  
love in the beginning sweet but bitter in the end  
oh so I'm goin off somewhere no one knows my  
name  
I said im goin off somewhere, aint never comin back  
again  
well now who do you think you are, doin me this way  
I'll tell you now I aint the one  
you run around where all my friend can see you baby  
and well I hope you had your fun  
so goodbye, I dont mind watchin you leave  
I said goodbye, I wont cry when you walk out on me  
no I wont cry when you walk out on me
