Mister,
Your eyes are full of hesitation.
It makes me wonder,
Do you know what you're looking for.

Uumm, Baby
I wan't to keep my reputation.
I'm a sensation,
You try me once you'll beg for more.

(Ooohh!)
Oh! Yes sir, I can boogie,
But I need a certain song.
I can boogie,
Boogie woogie all night long.
Yes sir, I can boogie
If you stay, you can't go wrong,
I can boogie, boogie woogie all night long...

No sir,
I don't feel very much like talking,
No neither walking.
You want to know if I can dance.

Well baby,
I already told you in the first verse
And in the chorus,
But I will give you one more chance....

(Ooohh!)
Yes sir, I can boogie,
But I need a certain song.
I can boogie, boogie woogie all night long.

Ooohh! Yes sir, I can boogie,
If you stay you can't go wrong.
I can boogie, boogie woogie all night long...

[interlude]

(Ooohh!)

Oh! Yes sir, I can boogie (I can boogie),
If you stay you can't go wrong.
I can boogie (I can boogie),
Boogie woogie (boogie woogie) all night long...

Ooohh! Yes sir, I can boogie (I can boogie),
But I need a certain song.
I can boogie (I can boogie),
Boogie woogie (boogie woogie) all night long...

Oh! Yes sir, I can boogie,
If you stay you can't go wrong.
I can boogie, boogie woogie all night long....

Ooohh! Yes sir, I can boogie (I can boogie),
But I need a certain song.
I can boogie (I can boogie),
Boogie woogie (boogie woogie) all night long...
[fade out]
