It was 9:14 on a Monday night
When I sat alone on the couch
And tried not to think about all the things to come
Tried to put behind the bad things I'd done

And every day for two weeks before
I sat alone on the dirty floor
And I tried to write what I thought they'd hear
As the next big thing in the fashion year

Well, I'll hold my tongue
While you hold my hand
Yeah, yeah, yeah

It's time I stepped away
It's time I moved away
It's time I stepped away

It took me more than a year to feel
That the whole damn thing was about as real
As a man who says that he has no pride
That he would give it up, everything inside

Well, I'll hold my tongue
While you hold my hand
Yeah, yeah, yeah

It's time I stepped away
It's time I moved away
It's time I stepped away

Well, I'll hold my tongue, oh yeah
While you hold my hand
Yeah, yeah, yeah

It's time I stepped away
It's time I moved away
It's time I stepped away

It's time, it's time
It's time I stepped away, away
