This artist's name is Justin but there's no link, so I'm putting it in this one.

I've had many, many set backs
Misendeavours all my life
But it's never, got into me
All the trouble, in my shrine

But now something's happened to me
And I just don't have a clue
See that something was my lifeline
And now I, just can't get over you

Over you, my heart aches
You are my soul divine
Over you, my heart breaks
I need you all the time

There'll be other, lovely ladies
Who will show me come my way
But there's something 'bout you baby
I feel I've got to say

That I'll love you, love you forever
No matter what you do
I will always feel this way, girl
And now I, just can't get over you

Over you, my heart aches
You are my soul divine
Over you, my heart breaks
I need you all the time

Over you
Over you
Over you
Over you

Over you, my heart aches
You are my soul divine
Over you, my heart breaks

I need you all the time

Over you, my heart aches
You are my soul divine
Over you, my heart breaks
