I think I owe an apology for thinking you were a part of  
me  
I guess that's the worst part of me - I don't know where I  
ought to be with you  
and please forgive me for all the mess that lingers  
under my consciousness  
keeps me hanging on every breath because I don't  
think I could handle less than you

CHORUS And if I owe you one last word it's a lie, it's a  
lie  
Somewhere I got lost inside of your eyes, and I died  
If I owe you one last word it's a lie, it's a lie  
If I was wrong from the start of this for giving you such  
a part of me  
There's just one thing I must confess - I know I never  
could pretend with you

CHORUS

it's a lie, it's a lie

CHORUS
