Let me take you down
To a place not far away
Where the kindness falls like rain
And the courtesy comes just as sure as the sun will rise
on me

Chorus:

If I asked you where you're at, would you
Be the same in mind without your television set
Or would you take for granted
All you've got to share with them

I went there once upon a time
Not long ago
And now I'm able to view all I need
To hold on to you

Chorus:

Another one goes down the drain again
Falling further from themselves
Another one goes down the drain again
Falling further from the truth

Chorus:
