What can anyone say
About America today
All the people do is pray
But do they pray for peace?
We keep spinning on round
Just trying to put our feet on the ground
Doesn't anyone know, how greater we could be

Cause our voices are stronger
Than any guns
Our strengths in our spirit
So we've already won
NO WE WON'T LAY DOWN AND DIE

How bad must it get
How much pain and regret
Are they really not done yet,
This doesn't have to be
Cause the blood is spilling all around
And my heart is layed out on the the ground
My ears keep listening for the sound
So sweet

Cause our voices are stronger
Than any guns
Our strengths in our spirit
So we've already won
NO WE WON'T LAY DOWN AND DIE

We won't lay down, we won't lay down, we won't lay
down

Cause our voices are stronger
Than any guns
Our strengths in our spirit
So we've already won
NO WE WON'T LAY DOWN AND DIE

Cause we won't lay down
No we won't lay down
No we won't, lay down and die
