It's hard being dope, stop looking as me dizzy.  
I know I got style you aint gotta try to diss me.  
Silly ass niggas all saying that they miss me,  
sorry i don't got time, the dopegirl gets busy.  
Everyday of the week, I'm always on the run,  
gotta get my new outfit and my weave redone.  
gotta get rhinestones put on my brand new gun,  
it gets a lil wild but I'm still having fun.

Eat it up all night, until you hit the floor.
