Jefferson is my godfather but Benjamin is my hero

That's all I want,  
All I wanna do is just live  
You know I don't be aksin for a whole lot  
Paid money, paid car, paid crib  
And once I add my numbers, I'm a real lot

I'm just tryina get paid, I'm just tryina get paid  
I'm just tryina get paid, I'm just tryina get paid  
That's all I want

(Verse 1)

I'm outdo' on that endo  
I fuck the game and go nympho  
This rap shit is my first love but drug dealing's my MO  
Get money with me - my memo  
Paid faces - J Leno  
Santa Claus ain't leave my ship but somebody broke in  
my window  
Saint's horn as I'm in no  
Blat blat, you better get low  
I don't rock with no ho siders  
I only fuck with my kin folks  
I built that house on that ground shit  
Now I think I might leave her  
I dabble it with that white girl  
I guess I got jungle fever

Aqua shops - I pops in 'em  
House best to 2 shots in 'em  
Just bought a car that got a house special  
I'm goin home on my blockin  
In Florida feel my groove on  
I hold them ones I wanna do right  
Show 'em how to bring food home  
Get 'em out of that zoo life

(Hook)

That's all I want,  
All I wanna do is just live  
You know I don't be aksin for a whole lot  
Paid money, paid car, paid crib  
And once I add my numbers, I'm a real lot

I'm just tryina get paid, I'm just tryina get paid  
I'm just tryina get paid, I'm just tryina get paid

(Verse 2)

I can walk a whip with no plunk  
Broke the squad or cap this pigeon  
Threwed 20 quarters - 2 for my house,  
14 a piece - paid zipper  
Straight droppin yolo, I aid in soda  
This bottled water go fizzy  
Bubble to top when it all come up  
Just ice, I have it terrific  
Can't play the game like 2Chainz  
Ain't ridin round when I'm getting it  
I'm trapped all in my trap house  
My jack is cluckin like with me  
Houston, Bobby Brown, Adocaine  
And I'm really scratchin they itches  
Call the mechanic, I'm a pair of pockets  
Whole shop, I'm fixin they fixes  
Numb at gums, like I off the diners  
Took a hit of this and they twitchin  
Grab a lot of keys like a janitor and then flip em like an  
ignition  
Stamped up in balloon wrappers, got scales on 'em like  
fishes  
My stash house to get bottles, just Benjamin and you  
listen

(Hook)

That's all I want,

All I wanna do is just live  
You know I don't be aksin for a whole lot  
Paid money, paid car, paid crib  
And once I add my numbers, I'm a real lot

I'm just tryina get paid, I'm just tryina get paid  
I'm just tryina get paid, I'm just tryina get paid  
That's all I want  
I'm just tryina get paid, I'm just tryina get paid  
I'm just tryina get paid, I'm just tryina get paid

You best be keepin yo cool  
Fuck around and get knocked out  
You take me for a fool? I must ain't see this Glock out  
Make me up this bitch,  
Blocka blocka  
4-5 in a kill, fuck around and get killed  
Take a look what I built  
Pushin up til I'm built  
I ain't worried bout them haters  
Haters make me greater  
I need to live, mo' haters  
I'm tryina be mo' greater  
Back up on my mission  
Why'd you comin up missin  
I had it when I told ya  
Stupid ass, you wasn't listenin  
You listenin but you ain't hearin  
So watch and read my lips  
Now pay close attention  
Don't be fuckin with Skip
