Gentlemen and ladies, it's your boy, the dude  
Freaky, fre-fre-fresh  
We gon' bring it to you somethin' like this

Woof, I'm a animal, yes, I am a animal  
I'm a animal, yes, I am a animal  
I'm a animal, yes, I am a animal  
I'm a animal, yes, I am a animal

How you just gon' back me up and I'm 2 dollars from  
bein' rich  
You oughta be grateful a nigga like me even see you  
bitch  
I was thinkin' about rockin' Arribas, but the gators look  
nice  
Nigga was talkin' about they was comin' out like players  
tonight

They won't let me in with my pistol, I'm okay with the  
knife-a  
Anything I can get my hands on when the fight starts  
Could get one of these hoes that's gotta stand, by the  
right bar  
Get the wife and she could [Incomprehensible] light  
stars

She ain't stupid, she recognize who it is  
Enjoy the lyrics on the records, play the songs for the  
kids  
For instance, I can come through bouncin' in this bitch  
like what  
And she's figured this shit, she ready to give that life  
up

Wonderin' how do it feel to be with G's like us  
Be in a better situation than that all night bus  
You're wild hoe be fuckin' up my G's  
You better get back, I spent six and a quarter for these,  
ya hear me?

Woof, I'm a animal, yes, I am a animal  
I'm a animal, yes, I am a animal

Woof, I'm a animal, yes, I am a animal  
I'm a animal, yes, I am a animal

Get gorilla with it, get gorilla with it  
Get gorilla with it, get gorilla with it  
Get gorilla with it, get gorilla with it  
Get gorilla with it, get gorilla with it

I see you watchin' how the boy comes to Grover  
And you wanna overthrown him, knock him off his  
throne  
Your potnahs rockin' with you 'til they find out who it is  
Then they gon' try to convince y'all to leave it alone

I'm here to sabotage what enemies accomplish  
They're not about the camouflage, the homies that I  
ride with  
I keeps it ghetto for my street people and convicts  
I don't vouch for nobody, I just make sure I pay homage

Hey shorty, this nigga here's a vet like Shaq  
I don't have to control the ball but I control that rap  
If I smack you on your ass you gonna throw that back  
They like it when a gangster take control like that

She feels protected when she in that Lexus  
Givin me head, got me takin' all wrong exits  
I'm not the people you should be upset with  
I don't mean no harm baby and I'm not sexist

Woof, I'm a animal, yes, I am a animal  
I'm a animal, yes, I am a animal  
Woof, I'm a animal, yes, I am a animal  
I'm a animal, yes, I am a animal

Get gorilla with it, get gorilla with it  
Get gorilla with it, get gorilla with it  
Get gorilla with it, get gorilla with it  
Get gorilla with it, get gorilla with it

A gangsta still fightin' charges but he totes that glock  
Like a junkie with a pipe up in the smoke crack spot  
I be in every hood, see I knows the block  
From Watts to one-fo'-fifth by the clothing shops

Nope, I ain't rockin' with them boys I was with  
But I'm still blingin' and showin' off my toys in this bitch  
When a real nigga show up hoes switch up they games  
Tell us who they really is and give y'all different names

Claimin', she ain't nuttin' like them boys be sayin'

Shit I'm only tryin' to knock the pussy outta the frame  
Look here, I tried to chill but they gave me some mills  
Me and Mannie back at it, 'bout to get another deal

I got my hand wrapped around the steerin' wheel  
Hoes like eww, they can't understand the grill  
Skip called me up he got them all on chill  
Well, let's go and get us some hoes so we can do this  
heah, y'know

Woof, I'm a animal, yes, I am a animal  
I'm a animal, yes, I am a animal  
Woof, I'm a animal, yes, I am a animal  
I'm a animal, yes, I am a animal

Get gorilla with it, get gorilla with it  
Get gorilla with it, get gorilla with it  
Get gorilla with it, get gorilla with it  
Get gorilla with it, get gorilla with it
