[Verse 1 (Juvenile)]

It's that nigga Juve, from the magnolia, still loakin,
You hoes know what's happenin with me,
Bust that pussy open,
Loose chest, loose booty,

if a gangsta can't touch it, what you bouncin it fo'
Now give me leway, watch how a G play
Watch how my name get caught up in the he and she
say
Its UTP day, we with the streets may
They represent us when they hear us at the DJs
Break bread with me, nigga is ya mad with me
Thought we was beefin, your supposed to spend your
cash with me
I'm in here last with me, hold me down, give me a whip,
give me
a bitch and let her blow me down,
I'm so gutter, I'm so slick, i'm so grimey
I promise you something and I betcha don't find me
I'm a eat, purchase, whatever I please
CO, give me the keys, aww please, I need two of these

[Chorus (X1)]

[Verse 2 (Juvenile)]

I'm a be so courageous,

and so contagious,
Until my fuckin rap sheets gonna recieve mo' pages,
Listen to Juve cuz this my year mon' (my year mon')
Invision I'm bout to kick it in here mon' (in here mon')
Don't you see the Soldiers and Bauds when I appear
mon' (appear mon')
About being written on my face cuz I know fear mon'
(fear mon')
Me and my team got a scheme to go light the block up,
Skip, Smoove put in work and wacko poppin the
chopper
I Scream the "U" cuz I mean it,
the only difference is you be throwing your shit up
when you screamin
I Seen it, shit all of the obstacles that I been through,
what make you think i'm a be scared of a bitch like you,
I'm ya dog, let me get it all consignment,
you ain't paid them last people yet,
dog don't even remind me,
I gain knowlege, my game polished, and it is obvious
you can't block it, you can't knock it, this is profit

[Chorus (X1)]

[Verse 3 (Juvenile)]

Can I untape the clips and chill ?
Show my nigga its real,
Can my people shop in Beverly Hills,
I got alot of work I know thats gonna be ahead of me
still,
But my peace mentality gon' keep me ahead in the
field
Pardon me, but I got paper to chase,
Now cut thru the talking and bring me straight to the
safe,
I know where the cameras at and I'm destroying the
tape,
I'm not leaving no evidence for the forensics to trace,
I had a problem on my hand, a few bills I had been
payin',
I figured about a lil'bit less than 75 grand,
and my dog Rocky, caught a nickel for a pistol,
Its serious when the federales comin' to get you,
Life is at a standstill, outchere in this damn field,
What you say, can get you and ya mans killed,
This my last chance to come up, this gotta be it,
Juve comin up, the first round' lottery pick

[Chorus (X1)]
