Lets say I'm in a room with a bitch  
And the hoe don't wanna fuck  
Like a man I'ma beat my meat  
And get my fuckin nut  
Fo'sho she gonna be drove then  
And I'ma cut the TV off  
And got to sleep on that hoe then  
Now tell that to your girlfriend  
You tell her everything else  
She goin to be with her boyfriend  
You goin to be by your damn self  
While I'm in my benz with your friend  
And she bout to get nervous  
Baby I don't want nothing  
But some mouth and lip service  
Don't act bad  
Don't get mad  
Thats all I can do with you  
Cause I don't want your ass  
Look you kinda fine  
With a nigga name on your spine  
Now respect my fuckin mind  
How I'ma hit that from behind  
Got a hoe across the court  
And Molly boots the next door  
I'm getting tired of you rappers  
Its time for me to restore  
I done fixed these bitches house up  
And have them living swell  
But and still a nigga like me was eating a taco bell  
But after that shit  
All that trick shit I stopped it  
And lock my fuckin pockets  
You can't kick it or pop it  
Now I get what I can get  
Out of these hoes and I'm up  
And if she wanna flex up  
I'ma back the hoe up

*[Chorus: repeat 4X]*

Girl thats Juvenile  
You don't know he on fire  
17 inch Momo's  
like magic on his tires

*[Juvenile]*

See I know how to treat a hoe  
Just talkin and great a hoe  
Niggas know I don't need a hoe  
Don't mix up your people hoe  
If I tell you do something  
You better do what I say  
If you plannin on playin me  
Better get out my way  
A bitch will get you killed  
Thats the way I think  
>From some old bitch ass nigga  
Trying to receive my bank  
Pussy come and it go  
It been like that before I got here  
Pussy don't wait for me or no nigga  
But its gonna stop here  
For a little while  
So I'ma get what I could  
And if she bout sucking some dick  
I ain't hatin its all good  
Now can I get that out you  
It ain't hard to do  
You a fine muthafucka

And it starts with you  
I'm trying to fuck something till it can't see  
What I'ma show you with this dick  
You gonna thank me  
A nigga gonna be like that untill the moment I retire  
Ask them bitches bout me  
And they gonna say that I'm on fire

*[Chorus]*

*[Juvenile]*

If I even fuck with a bitch  
She gonna know  
Not to conversate with niggas  
And to open my door  
My business is my business  
It ain't to be heard  
My niggas is my niggas  
So you don't say a word  
And you don't touch my shit  
You don't drive my shit

I got dope in the house  
And I hide my shit  
I have bad nerves  
I hope you don't try my shit  
Do right and nice things I'ma buy my bitch  
Some bitches you gotta play'em with a long string  
You play them close  
And you gonna be bangin wrong things  
You got something that I hear you don't wanna bring  
You not a muthafuckin player you a punk main  
Let me get one of them hoes up on this dope dick  
Stop handcuffin that bitch let her approach this  
You know when Juvenile comes he has to smoke shit  
I'm on fire on fire  
And you know this

*[Chorus 1.5X]*

*[Juvenile]*

You can fuck my bitch  
You can fuck my bitch  
You can fuck my bitch

You can fuck my bitch  
Let me fuck your bitch  
I don't love that bitch  
I don't trust that bitch

You can fuck my bitch  
Let me fuck your bitch  
I don't love that bitch  
I don't trust that bitch

You can fuck my bitch  
Let me fuck your bitch  
I don't love that bitch  
I don't trust that bitch

You can fuck my bitch  
Let me fuck your bitch  
I don't love that bitch  
I don't trust that bitch

You don't know he on fire  
You don't know he on fire  
You don't know he on fire  
You don't know he on fire

*[Hot Hot Hot Hot Hot Hot Hot]*
