[Chorus - 2X]

Heard what you said about me  
Say it to me now  
Heard what you said about me  
Say it to me now

[Juvenile]

It's someone in particular got you sayin' what you sayin'  
Usin' my name in vain, hard for you to stay in your lane  
That nigga fought for you then manipulated your mind  
And kept you out of the way so you would stay in the  
blind  
But then you woke up, and realized he was takin' your  
shine  
And you're mad at the whole world and they don't owe  
you a dime  
Some of these niggaz don't be gangstas when they  
'sposed to be gangstas  
You know he owe you money and you're scared of him,  
ain't ya?  
You can never point the finger at me, playa you stayed  
when I left  
I couldn't call you when my bills wasn't paid  
Wasn't dependin' on nigga to send me shit my way  
Wasn't really concerned about what a bitch might say  
You coulda came and testified for my trial  
But you had more love for Slim and Baby than you had  
for 'Nile  
I didn't hate, I just moved on  
Now that I'm doin' good I'm hearin' me on your new  
song and Juve wrong?

[Chorus - 2X]

Heard what you said about me  
Say it to me now  
Heard what you said about me  
Say it to me now

[Juvenile]

He ain't rappin', he ain't smart, he ain't gon' never be  
rich

He gon' be just like (?), he ain't accountin' for shit  
Ridin' around in the six, mamma still live in the bricks  
Across the hall from where somebody's always cookin'  
a fix  
Where you in trouble if the police ever knock on your  
door  
We from the ghetto so they find choppers and glocks  
on the floor  
I done had all type of shit thrown at me, learned from  
this and that G  
After all that I done been through, why is this bitch so  
happy?  
I'm alive and well, a true talent indeed  
I'm God's gift to the earth, would be a shame if I leave  
And I seriously don't be fuckin' with niggaz with greed  
And that goes for all you outsiders and family trees  
I can see the specks runnin' they necks, he ain't all that  
I don't even hear him to record that, I'm doin' me  
We independent, ain't no middle man  
Either get the business right or get the business in your  
brain  
Play your hand

[Chorus - 2X]

Heard what you said about me  
Say it to me now  
Heard what you said about me  
Say it to me now

Haters steady hear your name, runnin' they mouth  
But really don't know a damn thing 'bout the game  
And I'ma only tell you one time, I'm a millionaire  
So that shit you niggaz talkin', I ain't gon' entertain

"Forgive us our trespasses  
As we forgive those who trespass against us  
Lead us not into temptation  
But deliver us from evil..."

[Juvenile]

Father, I ain't gon' let 'em get to me, they know my  
history  
(It really ain't you they hatin', 'cause of they miseries  
Fulfill your purpose, you was put here for a reason  
Cherish your life for every moment you breathin')  
But they sayin' that I betrayed 'em  
(No man can judge you)  
But they askin' if I could save 'em  
(You must first save yourself)  
I'm the subject of conversation  
(Worry about no one)

I'm knowin' that I could take 'em  
(Have faith in me)

[Chorus - 2X]  
Heard what you said about me  
Say it to me now  
Heard what you said about me  
Say it to me now

Haters can't stand to hear your name, runnin' they  
mouth  
But don't know a damn thing 'bout the game  
And I'ma only tell you one time, I'm a millionaire  
So that shit you niggaz talkin', I ain't gon' entertain
