Now we skip champagne  
Now we skip champagne when we thirsty babe  
Now we skip champagne  
Now we skip champagne  
Now we skip champagne when we thirsty babe  
Now we skip champagne  
Now we skip champagne  
Now we skip champagne when we thirsty babe  
Now we skip champagne  
Now we skip champagne  
Now we skip champagne when we thirsty babe

Yea I sip champagne  
And I spit champagne  
Every other night I bought a whole Clique champagne  
There's duty free money loan  
We've got a big campaign  
Shorty tripping on my bill she said it's likely a Wang  
Yea I sip champagne  
And I spit champagne  
Every other night I bought a whole Clique champagne  
There's duty free money loan  
We've got a big campaign  
Shorty tripping on my bill she said it's likely a Wang  
A friend tripping on my car she said it's like T-Pain  
Synergies made it from Georgia on a midnight train  
She heard a soldier talking about that midnight thing  
Before I bought a ride down town by that midnight man  
You know that moon I had you wailing on that Kurt  
Cobain  
Bring the club off that Rosay like what's my name?  
And I'd be just tripping off them days when I couldn't  
maintain  
Another dollar in my pocket full of street called train

Now we skip champagne  
Now we skip champagne  
Now we skip champagne when we thirsty babe  
Now we skip champagne  
Now we skip champagne  
Now we skip champagne when we thirsty babe

Now we skip champagne  
Now we skip champagne  
Now we skip champagne when we thirsty babe  
Now we skip champagne  
Now we skip champagne  
Now we skip champagne when we thirsty babe

Hand around my pie hole  
Bank account no lotto  
My jewelry on Pavaratto  
Celebrate my motto  
I don't fuck around with no star hoes  
Count banks these models  
My stomach used to be hollow  
Now I lean back and I swallow  
Sip champagne like quarters  
Super bowl when I party  
Riding around with your darling  
She said being with me was on calling  
You're safe to say that I'm leaving  
About to grill in my kitchen  
Fly the morning out fishing  
Friday night I get busy  
Now hurry up with my order  
In case I'm only four waters  
From light to night I go harder  
Still moving around with no borders  
I'm fixed up and I sought it  
These whores, they wanna be bothered  
Was chic to me cause I've done it  
We ranking skill, we won it

Now we skip champagne  
Now we skip champagne  
Now we skip champagne when we thirsty babe  
Now we skip champagne  
Now we skip champagne  
Now we skip champagne when we thirsty babe  
Now we skip champagne  
Now we skip champagne  
Now we skip champagne when we thirsty babe  
Now we skip champagne  
Now we skip champagne when we thirsty babe

You ain't got the Rosay?  
Well then, okay  
You can still wipe or maybe spade me  
The crowd in here crazy  
Easy wives got it all hazy  
Be sure you drink your shots, I got rabies

Look out you glaze me  
Way from the corner  
Look the dead in the eyes  
I want you, yea  
Looking like you top the model  
Come over here, pop a bottle  
What you drinking?  
Muscato? Yea  
You like to peek uh?  
You order Peekan  
One Chateau  
Don't give her no beat time  
Drink up, it's drink time  
We're doing model after model, bottle after bottle

Now we skip champagne  
Now we skip champagne  
Now we skip champagne when we thirsty babe  
Now we skip champagne  
Now we skip champagne  
Now we skip champagne when we thirsty babe  
Now we skip champagne  
Now we skip champagne  
Now we skip champagne when we thirsty babe  
Now we skip champagne  
Now we skip champagne  
Now we skip champagne when we thirsty babe
