Cut throat I'll have that brand new sun lotion
I'ts like when I get used to it then you start workin
Pop open the top and start rubbin that lotion
Slow down for me you moving to fast
your fingers keep slipping I'm trying to make it last
Keep being hard headed and Ima make you get off me
Got lotion up my eyes and my face is all soggy
If you loving my back let me get on home
I got 3 or 4 aunties waitin for me alone
One of my aunties fell in love with that wonderful lotion
that wonderful lotion keep them aunties boastin

Uh I like it like that she rubbin that lotion all over my
back
sun lotion for me, sun lotion for me, sun lotion for me
rub sun lotion on me
Uh I like it like that she rubbin that lotion all over my
back
sun lotion for me, sun lotion for me, sun lotion for me

She love the way the lotion stay on from 12 till early in

If you really don't need it I ain't with It I'm gone
You must have heard about the pool and the beach

wrong
Na make it official wheres some of those combs
I don't mind buying you your lotion too
Don't be asking me questions about what kind i'm buyin
you
hey mama my stuff is the good stuff I ain't jiving you
I don't think any one could give you better sun lotion
then what could do
And Breeze aint from courtless street by derby
its the same stuff that used to be sold by extreme tan
and hershey
Can somebody from winchester get a chance with it
But I can't rub it on you without using my hands with it

Uh I like it like that she rubbin that lotion all over my
back
sun lotion for me, sun lotion for me, sun lotion for me
rub sun lotion on me
Uh I like it like that she rubbin that lotion all over my
back
sun lotion for me, sun lotion for me, sun lotion for me
rub sun lotion on me

sun lotion, its open, I'm hoping that she don't leave my
skin broken
With brush, burns and swollen
I'm holdin she wanted me to make her an outer

I gurantee ya ima see ya when I see ya
And just don't rub it all over like we was all that
i dont like you like that and you know that
So stop rubbin sun lotion for a real nigga
I want some of that incredible potion and then i'll deal
with ya

I like how that sun lotion sit in them hands
Let me get some more sun lotion on my back and all
over my glands
You know thats not wat i want i dont want a handfull
Im knowing what's happening i dont even want a
sample
Who you wit I'm tannin in the rental today
It's burnin up and I remember the way
Less money we spend on fake stuff and the more for
the Breeze
What's it gonna take for you to come rub sun lotion on

me

back
sun lotion for me, sun lotion for me, sun lotion for me
rub sun lotion on me
Uh I like it like that she rubbin that lotion all over my
back
sun lotion for me, sun lotion for me, sun lotion for me
rub sun lotion on me
